Booking Conditions

This brochure was published in October 1995. Changes may be made to the particulars within this brochure at any time after publication. The client or travel agent must ensure that changes or additional information are confirmed to them in writing. Your contract is with Epsom Tours Limited (registered in England number 2694843), a fully bonded member of the Association of British Travel Agents (ABTA number V5291).

1. Booking When you make your booking, you must complete a booking form, accepting on behalf of all your party the terms of these booking conditions and pay a deposit of £30 per person on tours of up to four days duration and £50 per person on tours of five days duration and over (except United States £100). All monies paid to your travel agent are held by him on your behalf until we issue our confirmation/invoice. Thereafter your travel agent holds the monies on our behalf. A contract will exist when we issue our confirmation/invoice which you will receive within two weeks of booking.

2. Holiday insurance It is a condition of your contract with us that you should take out insurance to cover you in the event of illness, personal injury or death during the course of your holiday. Insurance premiums will be automatically added to your holiday invoice unless your alternative insurer is clearly indicated at the time of booking.

3. Balance payment You will receive a final invoice/travel ticket some eight weeks before departure. The balance of the price of your holiday must be paid through the office at which you made your booking at least six weeks before your departure date. If the balance is not paid in time, we reserve the right to cancel your holiday, retain your deposit, and apply the cancellation charges set out in paragraph 5 below.

4. Changes by you If, after our confirmation has been issued, you wish to change to another of our holidays or change departure date, we will do our utmost to make the changes, provided that notification is received in writing at our office from the person who signed the booking form, or from their travel agent, at least six weeks before departure. This must be accompanied by a payment of £10 to cover our administration costs. Alterations cannot be made within six weeks of departure and any such request for an alteration will be treated as a cancellation of the original booking and will be subject to the cancellation charges set out in paragraph 5 below.

Please note that certain travel arrangements cannot be changed after a reservation has been made and any alteration request will incur a 100% cancellation charge.

5. Cancellation by you You, or any member of your party, may cancel your holiday at any time providing that the cancellation is made by the person signing the booking form and is communicated to us in writing via the travel agent with whom you made your booking. As this incurs administrative costs, we will retain your deposit and in addition may apply cancellation charges up to the maximum shown below.

Period before departure within which written cancellation is received	Amount of cancellation charge shown as a percentage of the holiday price
More than 42 days	Deposit only
29-42 days	30%
15-28 days	45%
8-14 days	60%
1-7 days	90%
Departure date or after	100%

Note: If the reason for cancellation is covered under the terms of your insurance policy, you may be able to reclaim these charges.

6. Complaints If you have a problem during your holiday, please inform the relevant supplier (eg hotel) and our representative immediately who will endeavour to put things right. If your complaint cannot be completely resolved locally, you must complete a report form which can be obtained from our representative. Please follow this up within 28 days of your return home by writing to Epsom Tours, Blenheim Road, Epsom, Surrey KT19 9AF giving your booking details and all other relevant information. It is therefore a condition of this contract that you communicate any problem to the supplier of the services in question AND to our representative *whilst in resort* and obtain a written report form. If you fail to follow this simple procedure we cannot accept responsibility as we have been deprived of the opportunity to investigate and rectify the problem.

It is unlikely that you will have a complaint that cannot be settled amicably between us. However, disputes arising out of, or in connection with this contract which cannot be amicably settled, may (if you wish) be referred to arbitration under a special scheme, which, though devised by arrangement with the Association of British Travel Agents, is administered quite independently by the Chartered Institute of Arbitrators.

The scheme, details of which can be supplied on request, provides for a simple and inexpensive method of Arbitration on documents alone with restricted liability on the customer in respect of costs. The scheme does not apply to claims for an amount greater than £1,500 per person or £7,500 per booking form. Neither does it apply to claims which are solely or mainly in respect of physical injury or illness or the consequences of such injury or illness. If you elect to seek redress under this scheme, written notice requesting arbitration must be made within nine months after the scheduled date of return from holiday.

Full details are available from the Association of British Travel Agents, 55-57 Newman Street, London W1P 4AH.

7. Your holiday price The price of your holiday is subject to surcharges on the following items: governmental action, currency and fuel. Even in this case, we will absorb an amount equivalent to 2% of the holiday price which excludes insurance premiums and any amendment charges. Only amounts in excess of this 2% will be surcharged but where a surcharge is payable there will be an administration charge of 50p together with an amount to cover agents' commission. If this means paying more than 10% on the holiday price, you will be entitled to cancel your holiday with a full refund of all money paid except for any premium paid to us for holiday insurance and amendment charges. Should you decide to cancel because of this, you must exercise your right to do so within 14 days from the issue date printed on the invoice. We will not surcharge your holiday price within 30 days of your holiday departure date. Our prices are based on the following exchange rates published in the Financial Times on 4 July 1995: Austria 15.5002, Belgium 45.3228, France 7.7272, Germany 2.2041, Holland 2.4782, Irish Republic 0.9709, Italy 2592.38, Switzerland 1.83 and United States 1.5993.

8. Changes by us It is unlikely that we will have to make any changes to your holiday, but we do plan the arrangements many months in advance. Occasionally changes may be made, which we reserve the right to do so at any time. Most of these changes are minor, and we will advise you or your travel agent at the earliest possible date. Carriers in the brochure are subject to change as a result of airline procedures and these details are given for guidance only. Final details will be shown on your tickets. If a major change becomes necessary, we will inform you or your travel agent as soon as reasonably possible if there is time before departure. When a major change occurs (such as the alteration of your outward/return flights by more than 12 hours, changes of resort or reduction in the standard of accommodation) provided it does not arise from circumstances amounting to force majeure (see below), you will have the choice of either accepting the change of arrangements, taking another available holiday from us, or cancelling your holiday and receiving a full refund. In all cases we will pay compensation as detailed in the next column.

Period before departure within which a major change is notified to you or your travel agent

More than 42 days	Nil
29 to 42 days	£2
15 to 28 days	£3
8 to 14 days	£4
0 to 7 days	£5

Compensation per person per night

Important note: Compensation will not be payable if we are forced to cancel or in any way change your holiday due to war, threat of war, riot, civil strife, industrial dispute, terrorist activity, natural or nuclear disaster, fire, adverse weather conditions or other circumstances amounting to force majeure.

9. Cancellation by us We reserve the right in any circumstances to cancel your holiday and all holidays operate subject to a minimum number of participants. However, in no case will we cancel your holiday less than six weeks before the scheduled departure date except for reasons of force majeure or failure on your part to pay the final balance. In circumstances where we are unable to provide the holiday booked, we will return to you all monies paid, or offer an alternative holiday of comparable standard and if a cancellation occurs within six weeks of departure, compensation on a similar scale to that shown in paragraph 8.

OUR RESPONSIBILITY

10. (i) We accept responsibility for ensuring the holiday which you book with us is supplied as described in this brochure and the services offered reach a reasonable standard. If any part is not provided as promised, we will pay you appropriate compensation if this has affected the enjoyment of your holiday. We accept responsibility for the acts and/or omissions of our employees, agents and suppliers except where they lead to death, injury or illness. Our liability in all cases shall be limited to a maximum of two times the value of the original holiday cost.

10. (ii) We accept responsibility for death, injury, or illness caused by the negligent acts and/or omissions of our employees or agents together with our suppliers and sub-contractors, servants and/or agents of the same whilst acting within the scope of, or in the course of their employment in the provision of your holiday. We will accordingly pay to our clients such damages as might have been awarded in such circumstances under English Law.

10. (iii) Respect of carriage by air, sea and rail and the provision of accommodation our liability in all cases will be limited in the manner provided by the relevant international convention.

11. If any client suffers death, illness or injury whilst overseas arising out of an activity which does not form part of the foreign inclusive holiday arrangement or excursion arranged through us, we shall, at our discretion offer advice, guidance and assistance to help you in resolving any claim you may have against a third party, provided we are advised of the incident within 90 days of the occurrence. Where legal action is contemplated our authority must be obtained prior to commencement of proceedings and be subject to your undertaking to assign any costs recovered or any benefits received under an appropriate insurance policy to ourselves. Our costs in respect of the above on behalf of you and your party shall not exceed £5,000 in total, other than in respect of legal expenses where we provide cover of up to £50,000 per person.

12. When you travel with the carrier, the conditions of carriage of that carrier apply, some of which may limit liability. This brochure is the responsibility of the tour operator, it is not issued on behalf of, and does not commit the airlines mentioned therein or any airline whose services are used in the course of the tour. Please note that in accordance with Air Navigation Orders, an infant must be under two years of age on the date of their return flight, to qualify for infant status.

13. English Law This contract is made on the terms of these booking conditions which are governed by English Law and both parties shall submit to the jurisdiction of English Courts at all times.

General Information

1. Children's reductions

Subject to their sharing a bedroom with two adults, children under 12 years of age will usually be offered a 20% reduction on the holiday cost only. Our tours are generally not suitable for children under 5 years of age.

2. Consumer levy

If a consumer levy is introduced to provide additional financial protection for holidays advertised in this brochure, it will be shown as a separate item on your invoice.

3. Delays

Whilst every effort is made to adhere to the times stated in this brochure, occasionally there are circumstances beyond our control such as weather and traffic conditions, which may cause delays. In the event of a delay of more than six hours on the outward or return journey, we will endeavour to provide refreshments/meals and overnight accommodation as appropriate.

4. Disabled persons

Unfortunately we are limited in the assistance we can provide disabled persons. If you are disabled and wish to book on a particular tour, please write to us giving full details, ensuring your letter is acknowledged. Unless we are advised, we cannot be held responsible for any inconvenience or costs and this may include our refusal to take you on holiday or complete your holiday arrangements. We are pleased to pass on special requests to hotels but cannot guarantee your wishes will be met.

5. Fitness to travel

Please check with your doctor if in any doubt about your fitness to travel.

6. Foreign currency

On overseas tours, we suggest that you take a small amount of currency for each country visited and the main bulk of your money in travellers cheques which are insured against loss and easily converted into cash. Credit cards are usually accepted on major purchases.

7. Gratuities

Gratuities to the driver/courier and hotel staff are not included in the cost of our tours. If you have been happy with the service, it is customary to give a gratuity according to the level of service received.

8. Group concessions

Groups are allowed half a free place per 10 paying passengers travelling on the same departure (supplements and holiday insurance charged in full). We are also pleased to arrange special group departures.

9. Health requirements

At the time of going to press, there were no special health requirements for any of the countries featured in this brochure. For information pertaining to health requirements of countries visited by Epsom Tours, please refer to the Department of Health leaflet 'Advice on Health for Travellers', available from ABTA travel agents or the Department of Health. You should also check with your doctor before your departure as to which inoculations are available and necessary for specific areas.

10. Holiday insurance

Holiday insurance is not included in the cost of our tours. It is a condition of your contract with us that you should take out holiday insurance (see page 31).

11. Hotel classifications

The hotel classifications are for 1995.

12. Itinerary variations

We reserve the right to vary the order of places visited and it is advisable to check with the driver/courier before arranging to meet friends etc.

13. Late booking

If you wish to make a late booking (usually within four weeks of departure), you will need to visit your travel agent or book with us direct using Visa, MasterCard or Switch.

14. Lost property

All lost property must be claimed and collected within two months from Epsom Coaches, Blenheim Road, Epsom, Surrey KT19 9AF (telephone 01372 725252).

15. Luggage

Luggage must not exceed one suitcase per person plus light hand baggage because space is limited. The labels provided by the company should be clearly filled in and securely attached to your luggage to avoid misdirection. It is your responsibility to ensure that your luggage is loaded on to the vehicle on which you are travelling. In the event of loss or damage, you must obtain a signed report from our representative at the time of the incident. This should accompany any correspondence.

16. No Smoking

It is essential that passengers refrain from smoking in all sections of the coach.

17. Passports and visas

For continental tours you will require a full 10 year British Passport or a British Visitor's Passport (valid for one year). A full passport will be required for the USA. Please ensure as soon as you have made your booking that you have a valid passport - especially as obtaining a new or replacement full British Passport can take up to two months. At the time of going to press, visas were not required by holders of British Passports for countries visited by Epsom Tours. We cannot accept responsibility for any of our clients who are not in possession of the correct travel documents.

18. Pets

Pets and other animals are not allowed on our tours (guide dogs excepted, UK mainland only).

19. Picking up points and times

Your choice of picking up point must be advised to us at the time of booking. If you decide to pick up from another authorised point, you must send us a written notification at least two weeks before departure. Please ensure you are waiting at the correct point in plenty of time. We cannot be held responsible for any loss or expense suffered by late arrival at a picking up point.

20. Portage

Every endeavour is made to provide portage at all times. However, there are occasions when it is not available due to circumstances beyond our control - eg airports and Guernsey catamaran.

21. Radios, tape-players etc

In the interest of other passengers, radios, tape-players, musical instruments etc must not be played inside the coach.

22. Refreshment stops

Convenient stops are made for morning coffee, lunch and afternoon tea which are not usually included in the cost of our tours.

23. Return times

By 'average return time' we mean in normal conditions at the middle of the setting down route. If you are being met, you are advised to confirm the estimated return time with the driver and telephone from the last stop. There are taxi ranks outside Epsom and Surbiton stations (adjacent to our setting down points). Computer Cab (0171 286 0286) offers a 24-hour service.

24. Seat allocation

You keep the same seat(s) throughout the tour and since allocations are made on a first come, first served basis, early booking is advisable to give you a better choice. We reserve the right to allocate seats other than those you have booked, though this will be avoided so far as possible.

25. Special requests

Special requests to hotels - eg low floor or special diet - should be made at the time of booking. We are pleased to pass on requests but cannot guarantee your wishes will be met.

26. Travel documents

When you pay your balance, your agent will issue luggage labels. Information packs will usually be distributed when you commence your tour.

27. Unreasonable conduct

We reserve the right to refuse a booking or terminate a passenger's holiday in the event of unreasonable conduct.

If you have any queries or require further information, please do not hesitate to contact Epsom Tours.
